

All MATH, BUS and FIN KU equivalencies listed below are automatic approvals. All ECON KU equivalencies listed below are NOT automatic approvals; you must get each ECON course approved by the appropriate advisor or faculty.

Course at Paris I	KU course equivalent
FALL COURSES	
Logic and Sets (also in Summer)	MATH 596 Special Topics: Logic and Sets
Multivariable Calculus (also in Summer)	MATH 596 Special Topics: Logic and Sets
Intermediate Probability (also in Summer)	MATH 596 Special Topics: Logic and Sets
Probability and Statistics	MATH 627 Probability
Optimization A	MATH 696 Special Topics: Convergence in Metric Spaces OR ECON 800 Optimization Techniques I
Optimization B	MATH 696 Special Topics: Convexity and Optimization OR ECON 800 Optimization Techniques I
Microeconomics IA	ECON 801 Microeconomics I
Microeconomics IB	ECON 801 Microeconomics I
Macroeconomics IA	ECON 810 Macroeconomics I
Macroeconomics IB	ECON 810 Macroeconomics I
Theory in Finance (Introductory Finance)	ECON 450 Study Abroad Topics in: Theory of Finance 1
SPRING COURSES	
Linear Algebra (also in Summer)	MATH 590 Linear Algebra
Euclidean Algebra	MATH 696 Special Topics: Euclidean Algebra
Statistics	MATH 628 Mathematical Theory of Statistics
Microeconomics 2A	ECON 801 Microeconomics I
Microeconomics 2A	ECON 801 Microeconomics I
Macroeconomics 2A	ECON 810 Macroeconomics I
Macroeconomics 2A	ECON 810 Macroeconomics I
Dynamic Optimization	ECON 809 Optimization Techniques II
Financial Economics	ECON 450 Study Abroad Topics in: Financial Economics OR ECON 564 Topics in Applied Economics: Financial Economics
Probabilistic Methods for Finance	BUS 300 Special Topics in Business: Probabilistic Methods in Finance (non B-School students) OR FIN 400 Special Topics in: Probabilistic Methods in Finance (B-School students only)
Theory of Finance 1	ECON 450 Study Abroad Topics in: Theory of Finance 1
Theory of Finance 2	ECON 564 Topics in Applied Economics: Theory of Finance 2
Applied Financial Economics	ECON 450 Study Abroad Topics in: Applied Financial Economics
Econometrics A	ECON 715 Elementary Econometrics
Portfolio Choice & Asset Pricing	ECON 564 Topics in Applied Economics
