STUDY ABROAD BUDGET NOTES

- This worksheet is for your own personal use and does not need to be submitted to any KU office.
- The “real cost” of studying abroad equals the total cost to study abroad *minus* the cost to study at KU for a semester or summer.
- We encourage you to modify the KU cost column based on your actual personal expenses. See below for the total Cost of Attendance (COA) at KU used by the KU Financial Aid & Scholarships office. <https://admissions.ku.edu/costs>
- Program cost information can be obtained from each program’s online brochure page under the “Program Cost” section on the Study Abroad website: <http://studyabroad.ku.edu/study-abroad-programs>
- The cost of leisure travel may not be included in an official study abroad budget. However, many students travel independently from their program. Students should put some thought into how they plan to fund recreational travel.
- For Financial Aid and Scholarship information for study abroad, schedule an appointment with a Financial Counselor in Study Abroad & Global Engagement, 785-864-3742. www.studyabroad.ku.edu/ScholarshipsFinancialAid
