English Proficiency	
English Proficiency Exam Policy	All non-native English speakers are required to check-in with the Applied English Center (AEC) and take the KU English Proficiency Exam during orientation unless they meet one the waiver requirements listed below. Those meeting one or more of the requirements should bring documentation with them to the check-in so that it can be verified by AEC staff. If approved for the waiver, they will be allowed to enroll full-time in university courses.  All other students will take the AEC exam during orientation and their test scores will determine if AEC courses are required, and if so, which ones.  Please note: Although TOEFL and IELTS test scores are not required to study on exchange at KU, students who have taken either exam are encouraged to upload test scores with their application materials.

<b>Academics</b>	
Course Information/ Areas of Study	With nearly 200 fields of study, there are course offerings for a wide variety of academic disciplines. To find out more about classes, please visit the following link: <a href="http://www.ku.edu/academics/">http://www.ku.edu/academics/</a>
Restricted courses	Athletic Training, Education, Law, Medicine, Social Welfare
Enrollment	Exchange students are not able to enroll until they have arrived on-campus and completed the check-ins that take place during the mandatory "You at KU" orientation, however, students will submit course request questionnaires after acceptance via their JayhawksAbroad account. The Office of Study Abroad will then work with the academic departments to obtain any necessary permissions ahead of time if possible. Students will meet with an advisor in the Office of Study Abroad to enroll during the week before classes begin.
Course Requests	Course requests are not guaranteed therefore students must select at least 2 alternates. In cases where prerequisites are listed, it is important that students have the appropriate background for the course. Please note: Courses tend to be similar from fall to fall and spring to spring so if the term that you will be attending is not listed yet, please view the previous term. Fall classes typically post in mid-March and Spring classes typically post in mid-October. You can search for classes on the class schedule found at: <a href="http://www.classes.ku.edu">www.classes.ku.edu</a>
Understanding the Schedule of Classes	When searching for classes, class days will be indicated by M (Monday), T (Tuesday), W (Wednesday), R (Thursday), and F (Friday) and each will have a 5 digit Class # that you will need to enter when submitting your course requests.  Most classes will be offered at the Lawrence campus, however, KU does have other campus locations (KU Med, Edwards, and Regents campuses) so be sure to select courses with "Lawrence" listed after them.  Please note that some classes consist of a large lecture AND an accompanying lab or discussion section (indicated by LAB OR DIS) on the schedule. When selecting a class in this format, you must select the lecture as well as a LAB OR DIS section.  Some departments offer Independent Study credit and/or research credit. These courses are typically not available for exchange students.
Credit Hours	Undergraduate students must enroll in 12-15 credits (usually equivalent to 4 or 5 classes) Graduate students must enroll in 9-12 credits (usually equivalent to 3-4 classes) Online courses do not count toward minimum credit requirements and students are responsible for any additional tuition/course fees tied to them. <i>Please note that many Applied English Center (AEC) classes are 6.5 credits each</i>

<b>Predeparture, Arrival, &amp; Accommodations</b>	
Pre-Departure, Arrival, and Orientation Information	All new incoming international students are required to participate in the International Student Services "You at KU" orientation program. The orientation program is conducted by International Student Services (ISS) and includes an introduction to university facilities, resources and policies, and student life at KU and in the US. Useful advice and information that will help you prepare for your travel and arrival can be found at: <a href="http://www.iss.ku.edu/newly-admitted-orientation">www.iss.ku.edu/newly-admitted-orientation</a>
Arrival/Report Date	If using a DS-2019 issued by the University of Kansas to enter the U.S., you must report to KU. You are expected to arrive no later than the Program Start Date indicated on your DS-2019 (in section 3). If you must arrive later, please contact the Office of Study Abroad (osaexchange@ku.edu) and the Document Specialist (issdocs@ku.edu) in International Students Services as soon as you are aware to ensure that your DS 2019 has the appropriate start date listed on it.
On-Campus Accommodations	Exchange students typically opt to live in either the Jayhawker Towers Apartments or residence halls. You will be responsible for arranging your own housing during the duration of your time at KU. Students are encouraged to contract as soon as possible once admitted (after receiving your KUID number) in order to have access to the greatest range of options. Please note that once you contract, cancellation fees apply. You can explore on-campus housing options at: <a href="http://www.housing.ku.edu">www.housing.ku.edu</a>
On-Campus Accommodation Options	<p><b>Jayhawker Towers Apartments</b> Four-person and two-person apartments are available. Each one includes 2 bedrooms, a living room, full bath, and kitchenette with a stove, oven, and refrigerator. The bedrooms are furnished with beds, desks and chairs, and closets with a dresser. Students have the option of purchasing a meal plan but it is not required since there is kitchen access. The buildings remain open during breaks therefore the contracts include break housing so students living there may stay at no additional cost. Please note that space has become increasingly limited in the Jayhawker Towers so students are encouraged to apply well before the application deadline if interested in living there, and even then, it may not be possible.</p> <p><b>Residence Halls</b> Traditional dormitory-style living which typically have two-three students per room. Certain residence halls such as Oswald, Self, and Lewis, are open to freshmen only whereas GSP, Corbin, Hashinger, &amp; Oliver are open to students of all levels. Students are required to purchase a dining plan since there is no kitchen access. Residence halls stay open during all university breaks except for Winter Break. Students wishing to stay on-campus over Winter Break must sign up for winter break housing and pay a fee.</p>
KU Dining Plan Options	<a href="http://www.union.ku.edu/dining-plans">www.union.ku.edu/dining-plans</a>
Off-Campus Accommodations	<p>The majority of exchange students choose to live on-campus for convenience and because it is challenging to find furnished apartments with short-term leases, however, exchange students occasionally choose to live off-campus. All off-campus housing arrangements are the responsibility of the student.</p> <p><b>Naismith Hall</b> A privately owned residence-hall-style option that is adjacent to campus that has also been popular with exchange students. If you are coming for just one semester, please be sure to specify this with the staff to ensure that a single semester contract is a possibility. For more information visit: <a href="http://www.naismithhall.com">www.naismithhall.com</a></p>
Orientation Accommodations	Students will either have the option of moving into their on-campus housing early for an additional nightly fee or signing up for special orientation housing. This is highly recommended as you will be very busy during orientation and transportation is typically provided from these locations. Again, it is advised that you arrive on the arrival date specified by the ISS Office as the campus will be very quiet beforehand. Detailed orientation information will be provided as soon as it is available.
<b>Tuition &amp; Fees</b>	
Fees covered by the Office of Study Abroad	The Orientation Fee, Tuition and Course Fees, the Technology Fee, ISS fee, ISS Check-In Fee, Infrastructure Fee, and Campus Fee will be covered by the Office of Study Abroad. Exchange students will be responsible for housing and meals (unless a Tsuda or ISEP student), KUID card (\$15), and the required health insurance (subject to change but currently \$610 per semester). These will be billed after you have arrived on campus and enrolled in your classes.
Required Health Insurance	<p>All exchange students will automatically be enrolled in and charged the mandatory health insurance plan through United Healthcare unless granted a waiver through the ISS Office. The cost for the 2017/2018 academic year is \$610 per semester and subject to change.</p> <p>To apply for the waiver, you must submit the Waiver Request Form by the first day of class and provide documentation showing that you are covered by an insurance plan, which meets the specified minimum requirements. Please note that students coming for the full academic year must apply for the waiver at the beginning of each semester. Learn more about the minimum requirements and waiver process at: <a href="http://www.iss.ku.edu/waivers">www.iss.ku.edu/waivers</a></p>
