

## Universidad Pontificia Comillas-KU Course Equivalency Log

Credit allotment is subject to the discretion of the department study abroad advisor. These equivalencies have been assigned over the years and the list is not intended to be a complete list of courses offered at Comillas, nor does it indicate which courses will be offered during specific semesters. It should be used as a guide in course selection and an aid in establishing course equivalents. The only courses on this list that have automatic approval are the courses highlighted in orange. All KU degree-seeking students must get all courses approved by the appropriate advisors. Students are not limited to the courses below; view the course offerings for the full list. For courses that have more than one KU equivalent, the first course will be posted unless the student requests otherwise to the Office of Study Abroad.
