

Credit allotment is subject to the discretion of the department study abroad advisor. These equivalences have been used for previous students abroad and may be used as a guide in course selection and aid in establishing course equivalencies. These equivalencies do not grant an automatic pre-approval to future students. You must get each of your courses approved by the appropriate advisor.

You are not limited to the courses listed below. A complete list of classes available can be found at: <http://studies.ku.dk/exchange/course-information/>

| <p>Note: The Kansas/Copenhagen exchange started as a new exchange option for the 2014/15 academic year. Because the exchange is new, this list of equivalencies is currently quite small. The University of Copenhagen has course offerings taught in English in several subjects, particularly in the Humanities and Social Sciences. Please check http://studies.ku.dk/exchange/course-information/ for a list of departments and classes that are available.</p> | | | | | | |
