

UdeSA-KU Course Equivalency Log

updated 1/3/18

Credit allotment is subject to the discretion of the department study abroad advisor. These equivalencies have been assigned over the years and the list is not intended to be a complete list of courses offered at UdeSA, nor does it indicate which courses will be offered during specific semesters. It should be used as a guide in course selection and an aid in establishing course equivalents. All students must get all other courses approved by the appropriate advisors. Students are not limited to the courses below; view the course list for the complete list.
