Required for Issuance of I-20 for F-1 status or DS-2019 for J-1 status.

If you are admitted and are requesting an F-1 or J-1 visa, you will be asked to submit proof of finances to support your studies at the University of Kansas. The submission of proof of finances is required for issuance of the I-20 (F-1) or the DS-2019 (J-1) form which you will need to apply for your visa. Check your email for instructions on how to submit your proof of finances.

F-1 visa: The I-20 is the document needed to apply for an F-1 student visa. When applying for the F-1 visa, the applicant must prove that enough funds are available to cover the first year of expenses and should be prepared to prove that funds will be available for the duration of studies.

J-1 visa: The DS-2019 is needed for a J-1 Exchange Visitor (student) visa. Applicants for J-1 visas must be prepared to show that funding is available for the entire J-1 program.

You may review [current tuition and cost estimates](#) on the International Support Services website. Information regarding acceptable proof of finances for your KU Immigration document can be found on the [Submitting Proof of Finances webpage](#).

Any questions regarding proof of finances can be emailed to the ISS Document Specialists at Issdocs@ku.edu.

If your financial documentation is for an account held by someone other than yourself, the student, the account holder will need to sign (in ink) an [affidavit document](#).

Will your studies at KU be financially sponsored by an external organization, embassy, government, corporation, or university?
