

Bonn Credit Equivalency List
(for non-language courses)

Credit allotment is subject to the discretion of the department study abroad advisor. These equivalences have been used for previous students abroad and may be used as a guide in course selection and aid in establishing course equivalencies. These equivalencies do not grant an automatic pre-approval to future students. You must get each of your courses approved by the appropriate advisor.

You are not limited to the courses listed below. Use the Bonn Credit Selection Guide to find more.
This list does NOT contain the German Language Courses/Approvals. That guide is provided separately.
