

## SPRING 2020 UNDERGRADUATE CALENDAR

This calendar should help students and faculty plan their travel dates while attending the CIMBA Italy program. Every attempt is made to maximize the potential travel opportunities, through the use of two extended weekends and one travel week, while maintaining the academic integrity of the program. Except for the travel dates noted below, and Saturday classes during CAP weeks, students should expect classes to be held from Monday through Friday each week.

Please arrange travel plans according to the dates listed above. The facility is not able to accommodate early arrivals or late departures. Be sure your departure plans do not conflict with the final exam schedule as you will not be permitted to take your finals early. If you are flying, you should allow a minimum of 3 to 4 hours to check out of the facility, get to the airport, and board your plane. If you are taking a train or other mode of transportation, make sure to allow yourself 2 hours to check out of the facility and get to your departure point before your train departs. Before you and/or your family make final travel plans, please note that extended weekends and travel week dates will not be finalized until one month prior to the start of the session.
