Please arrange travel plans according to the dates above. The facility is not able to handle early arrivals or late departures. Be sure your departure plans do not conflict with the final exam schedule, as you will not be permitted to take your finals early. If you are flying, allow a minimum of 4 hours to check out of the facility, get to the airport, and board your plane. If you are taking a train or other mode of transportation, allow yourself 2 hours to check out of the facility and get to your departure point before your train departs.

Due to final exam schedules, do not book a return flight out of Venice until 5:00 PM on Friday, June 15th at the very earliest. Since most flights back to the U.S. depart in the morning, many students choose to spend the night near Venice.

Please be sure to check with the program before any family or friends book travel to come visit.
