Every attempt is made to maximize the potential travel opportunities, through the use of two extended weekends and one travel week, while maintaining the academic integrity of the program. Please arrange travel plans according to the dates listed above. We are not able to accommodate late arrivals or early departures. Be sure that your departure plans do not conflict with the final exam schedule, as **you will not be permitted to take your finals early**. If you are flying, you should allow a minimum of 3 to 4 hours to check out of campus, get to the airport and board your plane. If you are taking a train or other mode of transportation, make sure to allow yourself 2 hours to check out of campus and get to your departure point before your train departs.

Before you and/or your family make final travel plans, please note that extended weekends and travel week dates will not be finalized until one month prior to the start of the session.
