

Credit allotment is subject to the discretion of the department study abroad advisor. These equivalences have been used for previous students abroad and may be used as a guide in course selection and aid in establishing course equivalencies. These equivalencies do not grant an automatic pre-approval to future students. You must get each of your courses approved by the appropriate advisor.

You are not limited to the courses listed below. A complete list of classes available can be found at: <http://www.uib.no/education/studies/courses-for-exchange-students>
